FINANCE JUST GOT MORE FLEXIBLE

Dreaming of a new caravan or motorhome?

If you want a flexible finance solution to suit your budget, you may want to consider Personal Contract Purchase (PCP).

PCP, IS IT FOR ME?

The most popular form of car finance is now available for new caravans and motorhomes.

PCP is ideal if you're looking for flexibility. You choose the deposit and contract period, then we calculate the Final Lump Sum payment* and your monthly repayments.

At the end of your agreement you will have three choices:

1. BUY IT

If you've fallen in love with your caravan or motorhome, you can settle the agreed final payment and own it.

2. CHANGE IT

Your lifestyle may change, so at the end of the agreement you may want to part exchange it for a new caravan or motorhome.†

3. RETURN IT

If you decide to move on to pastures new at the end of your contract, no problem – just return the caravan or motorhome and don't pay the Final Lump Sum payment.‡

Finance is available to UK residents aged 18+, subject to status.*For motorhomes, you'll need to choose your mileage before the Final Lump Sum payment is calculated. †Subject to settlement of your existing finance agreement. New finance agreements are subject to status. ‡If the motorhome or caravan is in good condition and has not exceeded the agreed maximum mileage (motorhomes only) you will have nothing further to pay. Details on what is considered good condition can be found in the Good Condition Guides. If the motorhome has exceeded the agreed maximum mileage a charge for excess mileage will apply.
